

An Exclusive Collaboration with Zoho.

Entrepreneurs' Organization has teamed up with [Zoho](#), to help EO members in their digital transformation journey. Join more than 60 million users across the globe who trust Zoho to run their day-to-day business operations.

About Zoho

Zoho is a global technology company that offers the most comprehensive suite of business software applications to grow your business. Zoho is driven by the desire to help businesses adapt to a more efficient way of working at an affordable price. Customer experience, finance, employee experience, productivity and collaboration, business intelligence, and low-code tools for custom cloud apps—Zoho offers over 45+ apps to run your business, no matter the industry.

Zoho is privately held and profitable with more than 9,000 employees. Zoho is headquartered in Austin, Texas, with additional offices in South Africa, Nigeria, UAE, Saudi Arabia, Singapore, Mexico, Australia and the Netherlands.

Entrepreneur's Organization | Zoho Program

Through this partnership, active EO members can avail **R10,000 in Zoho Wallet credits**, to purchase [Zoho One](#), an all-in-one suite with 45+ web and mobile applications for sales, marketing, finance (Zoho's accounting software, Zoho Books, is VAT-compliant and FTA-approved), HR, and back-end processes all integrated in a single platform and strongly inter-linked using integrations and services. This will allow business owners to leverage Zoho One's fully customizable, cloud-based platform to run an entire business from anywhere through a single console, without having to worry about data silos or integrating disparate applications. Zoho One is priced at **R525** per employee per month, exclusive of taxes (All Employee Pricing). Find out about all of our pricing plans, yearly offer and [pricing details here](#). You can choose to be billed **monthly or yearly** using the credits. An additional 14% discount can be availed on choosing to be billed yearly!

How to avail this offer?

To enrol in the program, please sign up to Zoho One, using [this link](#). Once you register with Zoho, R 10,000 will be automatically credited to your Zoho One account. Your credits will be automatically used when you choose to upgrade your account.

You can check your credit details in the [Credit Dashboard](#) under the Billings page.

To upgrade your account, please [follow the instructions here](#).
